Introduction

Middlemarch School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

Annual Inclusive Attendance Development Programme

Each year, Middlemarch School review and further enhances attendance practices through dedicated participation in the Inclusive Attendance development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance Middlemarch School implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

Middlemarch School Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

The Importance of School Attendance at Middlemarch School

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- *Academic Achievement:* Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- *Knowledge Acquisition:* School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- *Social Development:* School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.
- *Building Routine:* School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- *Teacher Interaction:* Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- *Preventing Knowledge Gaps:* Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- *School Engagement:* Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- *Legal and Parental Responsibility:* Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- *Community Well-being:* High levels of school attendance contribute to the overall well-being of communities.

Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible on **02476 328009** and ask to speak with Miss Ott.

Health Issues: Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

Socioeconomic Factors: Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

Transportation Issues: Difficulty in accessing transportation to school, especially in rural areas, can affect attendance. Lack of reliable transportation options can lead to sporadic attendance.

Special Educational Needs (SEN): Students with special educational needs may require additional support and accommodations to attend school regularly.

Family Circumstances: Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.

Bullying and Safety Concerns: Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

Engagement and Motivation: Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

Academic Challenges: Students facing academic difficulties or feeling overwhelmed by class work may avoid school. They may fear falling behind or failing in their learning.

Cultural and Language Barriers: Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school.

Peer Pressure and Social Factors: Influence from peers can impact attendance. Children may avoid attending school to align with the behaviour of their peers or to engage in social activities outside of school.

Parental Involvement: Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

Supporting Attendance at Middlemarch School

To address any identified attendance issues effectively, Middlemarch School will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

Middlemarch School expects pupils to attend school by 8:40am and inform the school office by this time in the case of absences. This can be done via the school office on 02476 328009 or by using the Studybugs app.

Details of the Warwickshire attendance service delivery model at Middlemarch School

The Warwickshire Attendance Service (WAS) delivery model provides a structured, staged approach to managing school attendance concerns. It ensures that interventions are timely, proportionate, and evidence-based, supporting children and families while meeting statutory responsibilities.

Process Overview:

- i. **School Initiated Attendance Process**
 - Schools issue attendance concern letters and initiate internal support.
 - If concerns persist, schools submit a formal Notification of Attendance Intervention to WAS.
- ii. **WAS Triage and Decision**
 - Attendance Advisers assess the notification and determine the appropriate pathway.
 - Notifications may be returned to school for further action or accepted for monitoring.
- iii. **10-Week Monitoring Pathway**
 - WAS issues monitoring letters and tracks attendance at regular intervals.
 - Midway reviews identify whether further intervention is needed.
- iv. **Attendance Contract Pathway**
 - If attendance does not improve, a formal contract is initiated with the family.
 - If the family does not engage, an Attendance Action Plans will be implemented with the school.
 - Attendance Contracts/Action Plans will be reviewed collaboratively.
- v. **Enforcement Pathway**
 - Continued poor attendance, where there is clear evidence that support has been offered but not engaged with, may lead to legal escalation.
 - WAS issues formal notices and prepares for potential prosecution.
 - Before any prosecution, consideration of an Education Supervision Order (ESO) is required. Where appropriate, this is done in collaboration with Children's Social Care, as ESO applications proceed through the Family Court.
- vi. **Legal Process**
 - Legal bundles and statements are prepared.
 - Cases are reviewed for public interest and statutory thresholds before proceeding².
- vii. **Closure and Review**
 - Cases may close due to improved attendance, referral to other services, or legal withdrawal.
 - Attendance continues to be monitored where legal action has been initiated.

Removal from roll

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

Day-to-Day Processes for Managing Attendance Middlemarch School

If a child is absent from school, parents should contact the school on the first day of absence to inform the school of the reason for this absence on **02476 328009** from 8:30am or via **StudyBugs**.

We ask that absences are not communicated to class teachers via Class DOJO. Parents are expected update the school each day if the absence is continued.

At 9.10 school registers are checked for any absences where there has been no contact from parents or reason received. School staff will send text messages to parents to ascertain a reason for the child's absence from school.

Following this text message, if by 9:30am there is still no reason communicated, a phone call will be made to family using the contact details held in school. If school are unable to contact someone at this point a home visit may be undertaken by a member of staff.

In the majority of cases, a parent's explanation of their child's illness will be accepted without question or concern, however It is school's decision whether to accept a reason for a child's absence and whether to authorise this. In circumstances where there are concerns about a child's attendance or reason for absence, further evidence of a child's illness may be requested.

The decision about whether the absence should be authorised or unauthorised rests with the Headteacher Mrs G Mawdsley.

At Middlemarch School, we recognise the clear links between attendance and attainment, and attendance and safeguarding children. **A note or explanation from a pupil's home does not necessarily mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school.**

If no explanation about an absence is received by the school **within 2 weeks**, the absence will remain unauthorised.

CLASS-DOJO MUST NOT BE USED TO ALERT SCHOOL OF A CHILD'S ABSENCE

Coding of Attendance

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

Leave of absence

The headteacher can grant a leave of absence when a pupil needs to be absent from school with permission. The headteacher will restrict leaves of absence to the specific circumstance set out in regulation 11 of the School Attendance (Pupil Registration) (England) Regulations 2024. These circumstances are:

- Taking part in a regulated performance or employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances*

The headteacher can also allow pupils to be absent from the school site for certain educational activities or to attend other schools or settings.

*The law states that a leave of absence may only be granted by a school if an application is made in advance and if the school considers there are exceptional circumstances relating to the application.

A leave of absence is granted entirely at the school's discretion. Permission may only be given by a person authorised by the school's proprietor to do so. Each application must be judged individually, taking into account the specific facts, circumstances, and relevant background context behind each request.

In general, a need or desire for a holiday or other absence for the purpose of leisure and recreation does not constitute an exceptional circumstance. Where a leave of absence is granted, the school will determine the number of days a pupil may be absent.

The school can only consider applications for Leave of Absence made by the resident parent. i.e the parent with whom the child normally resides.

Parents making an application for Leave of Absence are advised to provide sufficient information and notice to allow the Headteacher to consider all exceptional circumstances and notify the parents of

their decision. The school may request further information or supporting documentation where appropriate.

If parents have not received notification or a response regarding the leave of absence application, it is their responsibility to confirm whether the leave is authorised prior to the start of the absence.

Where applications for Leave of Absence are made in advance and refused, the child is expected to attend school on the dates set out in the application. If the child is absent during that period, the absence will be recorded as an “unauthorised”. If additional days are taken either before or after the requested period, they may also be considered as part of the leave of absence.

Applications for Leave of Absence that are not made in advance cannot be authorised in line with legislation, and any such absence will be recorded as ‘unauthorised’.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council. Penalty notices are issued in accordance with Warwickshire County Council’s Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

When absence is granted by the head teacher, the parent will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in a possible children missing from education procedure being instigated.

Penalty Notices

Penalty notices will be issued by the Local Authority on request of the Head teacher to parents or carers if your child(ren) are absent from school. Penalty notices will be issued in line with the National Framework for Penalty Notices. Penalty Notices are issued in accordance with Warwickshire County Council’s Code of Conduct WCC PN code of conduct.

The national threshold set out in the statutory guidance states that a penalty notice must be considered for 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10-week period may span different terms or school years.

The school will prioritise a ‘support first’ approach offering support to families in cases where it is appropriate. Penalty notices can still be issued where support is not appropriate, such as leave of absence in term time or when support has not been engaged with.

If the Local Authority believes a penalty notice would be appropriate in an individual case, the Authority shall retain the discretion to issue one before the threshold is met. An example of this is where parents are deliberately avoiding the national threshold by taking several term time holidays below threshold, or for repeated absences for birthdays or other family events.

Penalty Notices will be issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

- First penalty notice: The amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second penalty notice within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

A national limit of 2 penalty notices that can be issued to a parent of the same child within a rolling 3-year period has been set within the National Framework, so at the 3rd (or subsequent) offence(s) a Penalty Notice will not be issued. The matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996 or alternative action may be considered including other legal interventions.

Reporting a Child's Absence

Parents or carers must contact the school on the first day of their child's absence to provide the reason for the absence. They may do so via the school office :02476 328009 or via Studybugs.

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions. (number of days missed 19 or more over an academic year)

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Low risk: 10 days missed
Moderate risk: 10-15 days
High risk: 15-19

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

Threshold: Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

Absence Definitions

- Arrival at school after the register has closed.
- Not attending school for any reason.

Authorised Absence

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency

Unauthorised Absence

- Parents keeping children off school unnecessarily or without reason.
- Truancy before or during the school day.
- Absences which have never been properly explained..
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day.

Policies and Practice

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. Middlemarch School adhere to the following key attendance acts in the UK:

Education Act 1996: The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

Education (Pupil Registration) Regulations 2006: These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

Education (Pupil Registration) (England) (Amendment) Regulations 2013: These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

School Attendance Code of Practice: The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

Local Authority School Attendance Guidance: Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

Department for Education (DFE) Guidance: The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

Child Employment Legislation: Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

Children Missing Education (CME) Statutory Guidance: This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.

Section 19 of the Education Act 1996 (England and Wales) outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age.

Leadership: Senior staff, including the headteacher/principal and deputy headteacher/vice principal, lead by example. They emphasise the importance of regular attendance and set high expectations for all staff and students.

Policy Development: Senior staff are responsible for developing, reviewing, and implementing attendance policies in line with statutory requirements. They ensure that policies are clear, effective, and communicated to all stakeholders.
