

Individual children self-isolating

Children who are at home waiting for an available Covid test or waiting for the results of a test, will be able to access the Middlemarch School 5 day home learning timetable.

This can be viewed on the school website following the path:

Children – Home learning – Your year Group – 5 day timetable.

The first day of absence should be classed as day 1 and the timetable followed, in order, through to day 5.

Morning activities should be fully covered and one daily afternoon activity chosen from those listed.

Lessons will be taught through Oak National Academy where links to video lessons are given.

Work should then be completed in their home learning book (issued to all pupils)

and a photo/evidence uploaded to their individual ClassDojo portfolio.

Staff will give regular feedback and award Dojo points, just as if the child was in class.
